About Me

Experience

3+ years

Mobile Application Development

Education

B.Sc. Bachelors Degree

Hi, I'm Mahmood! A passionate mobile app developer with a focus on Flutter. I've been in the industry for over Three years, and my journey began when I fell in love with the elegant simplicity of Flutter's UI framework. Since then, I've built a variety of applications, from sleek e-commerce platforms to engaging social networking apps. Skills: Flutter Proficiency ,Clean Code Advocate ,Software Architecture ,UI/UX Design ,API Integration ,Testing ,Continuous Learning
